## *Vintage 2020*

The 2020 vintage at Château Castera was deeply impacted by the pandemic, requiring a reorganization of spring tasks and partial unemployment for staff. A mild winter and spring accelerated vine growth, while heavy rains in May and June brought challenges, including mildew. A dry spell from late June to early August helped the vines, and the warm days and cool nights of September created ideal harvest conditions. Despite the year's difficulties, the 2020 vintage is an exceptional success, memorable for both its quality and the unique context of its creation.
